Sir,

Subject System of collection by Patel and Shanbhog at Closepet Town Municipality

I have the honour to state that Mohatarfa Collections at Closepet Municipality were being attended to by the Shanbhog, Patel and Thoti prior to the year 1931-32 on commission basis at 3 and 2 p.c. to the Shanbhog and Patel respectively and an annual remuneration of Rs 40/- to the Thoti. Due to the unsatisfactory work of the then Shanbhog, Government sanctioned the appointment of a Bill Collector on Rs 15/- per mensem in their order G.O. No. 36 J-6-11 dated 14-31-3 dated the 10th February 1932 in lieu of the Shanbhog. This arrangement continued for some time as the arrears increased, the appointment of a Special Revenue Inspector was sanctioned by Government in their order No. L 3643-4 Ll 1-11-1[illegible] dated the 1st November 1941. Meanwhile there was an audit objection for the continuance of Patel and Thoti without sanction. On a detailed report made to Government, sanction was accorded to the continuance of these servants upto the end of June 1942 in G.O. No. L 7220-21 Ll 24-40-21 dated the 11th February 1942. The services of the Patel and the Thoti were dispensed with from the 1st July 1941. The Revenue Inspector and the Bill Collector were attending to the collections upto the 17th August 1942, from which date the appointment of the Revenue Inspector also ceased. The collection work is now attended by the Bill Collector only under the supervision of the Assistant Sanitary Inspector.

2. The arrears in the Municipality are very heavy being Rs 16,362/- at the end of December 1942. Though the appointment of the Special Revenue Inspector had been sanctioned for nearly three years, yet satisfactory results have not been achieved. The Municipal Council are now in favour of having a Special Revenue Inspector at a heavy expenditure, without adequate return. They say that the system of collection by Patel, Shanbhog and Thoti is much cheaper and that the collections also improve in view of the advantages the village Officers have with the local knowledge of the men and their conditions etc. The Municipal Council have resolved at their meeting held on the 15th of October 1942 that sanction of Government may be obtained to the revival of the collection system by Patel and Shanbhog.

3. The working expenses under the second system is certainly cheaper, but I was of opinion that the collection by village officers in the Municipalities would not be up to the mark. But the Municipal Council and its President repeatedly urge for giving a trial to the above system, in the peculiar circumstances of Closepet Town. The detailed report of the Sub Division Officer, (President) is enclosed in the file for favour of perusal. Something has to be done

to reduce the heavy arrears and as the Municipal Council are not in favour of the appointment of the Special Revenue Inspector for this Municipality, I request that sanction of Government may kindly be obtained to the appointment of the Patel Shanbho and the Thoti on a commission of 2/ and 3 per cent to the Patel and Shanbho, respectively, and a fixed remuneration of Rs40/- to the Thoti, for one year, on a temporary basis. The progress will be watched and a separate report submitted after the end of one year.

The connected records accompany for favour of reference and return. The Patel and Shanbhog of Closepet have not much Revenue work.

I have the honour to be,
Sir,
your most obedient servant,

for Deputy Commissioner,
Bangalore District.
